

# DAQ970 Series Good/Better/Best Value Bundle

Save up to 10% on pre-configured DAQ bundles!

Need to meet more channels count on your measurement and switching applications on a tight budget?

Keysight's Good, Better, Best Value Bundles on the multiplexer and switching DAQ bundle can help jumpstart your next manufacturing project. Knowing what to order for your specific application can be daunting, so we made ordering easier by prepackaging commonly used modules and software into convenient bundles. Enjoy up to 10% savings when you purchase the DAQ bundle that best fits your needs.

## What's in the Bundle?

### DAQ mainframe

DAQ970A/DAQ973A data acquisition system

A 3-slot mainframe that has high-quality switching and an advanced 6.5-digit multimeter built-in that allows you to measure accurately. It also comes with nine plug-in modules.

### Multiplexer module

DAQM901A 20-channel multiplexer (2/4-wire)

A 20-channel multiplexer for general-purpose scanning. It combines dense, multi-function switching with 80 channel / second scan rates to address a broad spectrum of data acquisition applications.

### Actuator module

DAQM903A 20-channel Actuator / GP Switch

A general-purpose switch module data acquisition system with 20 independent single-pole, double-throw (SPDT) relays.

### Software

BV0006B Pathwave BenchVue DAQ software

Keysight PathWave BenchVue Data Acquisition software instantly controls your data acquisition devices to log and visualize data in various display options for easier analysis.

## Bundle Options

Keysight crafted the following pre-configured bundles to help you meet your design needs easily and economically.

- **Multiplexer Bundle:** Offer comprehensive solutions to customers requiring multichannel temperature or voltage testing capabilities. Our bundle includes advanced tools and equipment for precise and efficient testing across multiple channels.
- **Switching Bundle:** Cater to customers with diverse multichannel switching and measurement requirements, such as multichannel current testing. Our bundle provides a comprehensive range of solutions, enabling seamless switching and accurate measurements across multiple channels.

Bundle types	Bundle options	DAQ system	Modules	Pathwave BenchVue	Total savings
<b>Multiplexer bundle</b>	<b>Good Bundle DAQ970MB</b>	DAQ970A <sup>1</sup>	3 x DAQM901A	--	5%
	<b>Better Bundle DAQ973MB</b>	DAQ973A <sup>2</sup>	3 x DAQM901A	--	6%
	<b>Best Bundle DAQ973MBX</b>	DAQ973A <sup>2</sup>	3 x DAQM901A	BV0006B <sup>3</sup>	8%
<b>Switching bundle</b>	<b>Good Bundle DAQ970SB</b>	DAQ970A <sup>1</sup>	1 x DAQM901A 2 x DAQM903A	--	5%
	<b>Better Bundle DAQ973SB</b>	DAQ973A <sup>2</sup>	1 x DAQM901A 2 x DAQM903A	--	8%
	<b>Best Bundle DAQ973SBX</b>	DAQ973A <sup>2</sup>	1 x DAQM901A 2 x DAQM903A	BV0006B <sup>3</sup>	10%

Notes:

1. DAQ970A Supported output - USB and LAN
2. DAQ973A Supported output - USB, LAN, and GPIB
3. BV0006B 36-month, node-locked license, KeysightCare software support subscription

As a leading UK Keysight Premium Plus Partner APC's specialist test equipment team can work with customers who require high-end test and measurement products for use across a wide variety of applications, contact our team today:
